Students **not majoring in the College of Business** may earn a health care management minor by completion of the following 18 hours of coursework:

I. Required courses (12 hours):

- ECO 2030 Principles of Economics - Price Theory 3 s.h.
- ACC 2100/1100 Principles of Accounting I (ND) 3 s.h.
- HCM 2110/3110 Introduction to Health System Organization 3 s.h.
- HCM 3130 Managing Health Care Organizations (prereq: HCM 2110/3110) 3 s.h.

II. Elective courses (6 s.h.)

- One HCM course at the 3000/4000 level* 3 s.h.
- One approved COB course at the 3000/4000 level** 3 s.h.

*HCM 3900 (Internship) is a 6 s.h. course, but only 3 of these hours may be applied to the HCM minor.

**An additional HCM course may be taken for the COB elective.

It is strongly recommended that ACC 1100 and ECO 2030 be completed during the sophomore year. ECO 2030 may also be used as a social science credit for the core curriculum requirements. Students must meet all eligibility requirements to take 3000-4000 level business courses. It is strongly recommended that students choosing an HCM minor receive advising assistance from HCM faculty in selecting elective courses.

**A minimum overall GPA of 2.0 is required for the courses included in the minor.**

**NO MORE THAN ONE BUSINESS MINOR CAN BE DECLARED BY A NON-BUSINESS MAJOR.**
